

Rock Hop 2015 Proceeds

This year's Rock Hop, "HATS off to Gilbert" was held on March 7, 2015, with 318 in attendance. The event raised over \$149,000 (gross revenue) throughout the event. The Gilbert Education Foundation and the 2015 Rock Hop Committee would like to say a special thank you to all who attended, donated, and supported our 17th annual Rock Hop. This event would not be successful without everyone's help. We are very fortunate to have such supportive families, businesses, and a great community that comes together to support the Gilbert Education Foundation and the Gilbert School District. Thank you for....HATS (Helping All To Succeed)!
