

Rock Hop 2016 Proceeds

This year's Rock Hop, "Celebrating Our Super Heroes" was held on April 2, 2016. The event raised over \$153,000 (gross revenue) throughout the event. The Gilbert Education Foundation and the 2016 Rock Hop Committee would like to say a special thank you to all who attended, donated, and supported our 18th annual Rock Hop. This event would not be successful without everyone's help. We are very fortunate to have such supportive families, businesses, and a great community that comes together to support the Gilbert Education Foundation and the Gilbert School District. Thank you for being "Our Super Heroes"!
