“Dedicated to Leaving an Everlasting Legacy”

Steve Romsey Memorial Scholarship

Steve Romsey was a 1966 graduate of Gilbert High School. After high school he helped on the family farm while working at Friedrich Construction. He began farming fulltime with his father, Joe Romsey, in the mid 1970's until his death in 2008. He loved the Gilbert community serving on the Vision 2000 committee and was very proud of the Gilbert schools. He was an avid supporter of Agricultural Education, Industrial Education, FFA, and 4-H.

The definition of being “hands on” means many things to many people. In Steve’s mind, this simply meant always being involved in whatever he could be. We all have the ability to influence other’s lives; whether this is through our work, our words, or our actions.

This \$1000.00 scholarship will be awarded to a student who, in the opinion of the selection committee, demonstrates a desire to pursue further education in some sort of a “hands on” career.
