“Dedicated to Leaving an Everlasting Legacy”

Ingrid Brady Scholarship

Ingrid Brady returned to her career after raising five children. She began teaching third grade in Gilbert in 1972, and continued for 23 years, until her retirement in 1995. Teaching in Gilbert was a job she genuinely loved. She often said how lucky she felt to be going to school every day, and how much she enjoyed the students and staff of Gilbert Elementary.

Ingrid Brady has dedicated her personal and professional energies to encouraging students to succeed to the utmost of their abilities. She has instilled a tremendous love and respect for the value of an education in her own five children, and believes public education is the key to ensuring opportunity for all.

This award is to assist the applicant in pursuing an undergraduate degree through a four-year college or university. The \$500 scholarship will be awarded to one Gilbert High School Senior who has a 3.0 grade point average or better and meets the qualifications of being a U.S. Citizen, participation in high school activities and financial need.

The award will be given to the student who, in the opinion of the selection committee, demonstrates the characteristics most desirable of a Gilbert High School Student.
